## AN ADVENTURE IN AWAKENING TO LOVE, HEALTH, WEALTH & HAPPINESS

### Opening Up and Embracing Abundance in 2020

Join Lola & Kevin for an adventure in awakening & embracing abundance. Using the ancient & extremely effective technology of Kundalini Yoga, we blast away the debris of the past & open the road to the future the Universe always wanted us to have! Through powerful kriyas, mantras & meditations we rid ourselves of old karma & self-defeating life patterns, we strengthen & electrify our arc-lines, circumvent force field, auras & our chakras, & we allow abundance of all kinds to flow in! A true game-changing event!

**About Us:** We are veteran Kundalini Yoga practitioners & teachers. Lola is an IKYTA-certified, 500-hour ERYT Kundalini Yoga girl for 22 years.
